

## WELCOME TO OUR MARCH NEWSLETTER!

As we move into March, we're pleased to share a few meaningful moments and important updates with our community. This month, we recognize International Women's Day, take part in Earth Hour, and provide updates on the modernization of our parking elevators—each reflecting our commitment to people, sustainability, and continuous improvement. Thank you for your patience and cooperation as we work to enhance your experience in the building. Wishing you a wonderful and positive month ahead.

— **Edyta Komada**, Property Manager

## UPCOMING EVENTS

### EARTH HOUR

MARCH 28, 2026, 8:30 PM - 9:30 PM

Cushman & Wakefield Asset Services Team is pleased to announce that we will be participating in Earth Hour on **Saturday, March 28th, from 8:30 p.m. - 9:30 p.m.**

Earth Hour is a worldwide event and collective effort to address the important issue of climate change. Hundreds of millions around the world, including over 100 cities across Canada, will turn off their lights in a show of support to promote action on climate change.

To participate in Earth Hour, Cushman & Wakefield will be turning off the lights at our buildings in Toronto and the GTA, Ottawa, Montreal, Vancouver, Edmonton, and Calgary. Emergency lighting will remain on during this hour, and security systems and elevators will also remain in operation, to ensure an acceptable level of safety and convenience. We encourage you to join us in this global initiative and help by turning off all applicable office and task lighting before leaving for the day.

Should lighting be a necessity during this one-hour time frame, please contact Karen Cassidy via email: [Karen.Cassidy@cushwake.com](mailto:Karen.Cassidy@cushwake.com)

To learn more about Earth Hour or to sign up your organization, visit [www.earthhour.org](http://www.earthhour.org)

### INTERNATIONAL WOMEN'S DAY IS MARCH 8TH

On International Women's Day 2026, we recognize the invaluable contributions of women in every industry, community, and home. This day serves as a reminder of the progress made toward gender equality and the work that still lies ahead.

We reaffirm our commitment to fostering inclusive environments, advancing leadership opportunities, and supporting policies that empower women worldwide.

## MEMO

### Parking Elevator Modernization

This memo is to inform you of the upcoming elevator modernization work that will take place in the building.

Please note that the construction dates are subject to change as the project progresses. During the modernization, **only one elevator car will be out of service at a time**, and the remaining elevator will continue to operate.

Hoarding will be installed in the parking level lobby at the elevator car currently under construction to ensure safety.

Project scope and key dates:

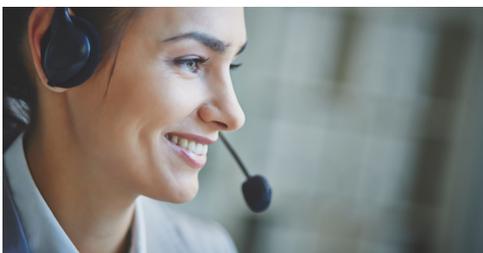

- Shaft Safety Screens: OTIS to install shaft safety screens on both cars on **February 21st**.
- Mobilization / Pre-Work: OTIS to mobilize and begin pre-work during the week of **February 23rd**.
- Car 9/10 Installation: Car 9/10 to be out of service starting **March 2nd** for approximately 10 weeks per car.

If you have any questions or concerns, please contact our office (416) 360-8322.

We apologize in advance for any inconvenience this work may cause and thank you for your patience and cooperation.

Sincerely,

Management
