

## APRIL AT QUEEN STREET EAST

April is bringing a little extra buzz to Queen Street East! Our rooftop bees are doing well and still have plenty of honey as they wait for the warmer weather and spring blooms to arrive. This month we're also celebrating eco-friendly ways of getting to work with a complimentary Commuter Breakfast, plus sharing a few small conveniences to help make rainy spring days a little easier.

— **Edyta Komada**, Property Manager

## COMMUTER BREAKFAST

APRIL 22, 2026, 8:30 - 10:00 AM • MAIN FLOOR LOBBY

Join us for a complimentary breakfast to reward those making eco-friendly choices to get to work! Whether you cycle, walk, take transit, or drive electric – thank you for making choices to help better our planet.

Show us your bike helmet, step counter, EV license, or Presto card and get a **breakfast on us!** (While Supplies Last)

## COURTESY UMBRELLA AVAILABLE

For your convenience, courtesy umbrellas are available at the Main Lobby Security Desk. If you need one during rainy weather, please stop by the desktop request an umbrella.

## CHECKING IN ON OUR HIVE

Just popped by the Alvéole spot at Queen Street East to check on our lovely bees. They're doing great and still have plenty of honey left!

No extra snacks needed this time, but I'm ready for spring and the flowers to bloom.

Looking forward to seeing these busy bees in action soon!

— **Natalie Breton**,  
our representative from Alvéole
