One Steelcase is strategically located in Markham's prestigious and most sought-after employment hub, just 25 minutes from Toronto's downtown core. The high-profile location provides unmatched access to the city's labour and employee-centric amenities while boasting close proximity to York Region's public transportation routes and Highways 404, 401 and 407.

CENTRALLY LOCATED

With this central position, One Steelcase offers direct connectivity to the GTA and its surrounding cities.

A RARE OPPORTUNITY

Built on one of the largest parcels of land in the city's most accessible employment area, this unique offering owns unparalleled access to highways, all cities across the GTA and an ever-growing suburban population.

ONE AND ONLY

A rare new build providing unique massing for the area, One Steelcase claims its place at the centre of Markham's core business district, with no current offerings of this scale in the market. The building allows for efficient flow and storage of goods, high storage densities and superior shipping.

LOCATION FOR MOVEMENT

With excellent access to major highways in every direction, One Steelcase is the ideal location to facilitate the movement of goods. Through the highway networks spreading north, south, east and west, tenants can easily access all major markets across the GTA and beyond.

FLEXIBLE FACILITIES

Offering multiple building sizes with the ability to demise, One Steelcase can accommodate a wide variety of businesses of all types and sizes. The building also offers the unique ability to customize its office layouts to suit each tenant's particular needs.

LOCATION FOR LABOUR

One Steelcase taps into Markham's deep, diverse labour pool, drawing a steady supply of the industry's growing workforce with an active labour force of 2.4M people within a 30-minute drive. Exceptional access to public transit and highways makes for easy commuting to and from the site.

BUILDING TOWARD A GREENER FUTURE

WORKING TOWARD LEED CERTIFICATION FOR BUILDINGS 2 & 3

To contribute to sustainability in the commercial space and reduce tenants' carbon footprint, One Steelcase is designed with an abundance of green features.

- White roofs limit heat absorption and reduce energy costs
- EV charging stations to support Toronto's growing EV infrastructure
- On-site bike racks to promote sustainable transportation and active, healthy living
- Ready to accommodate solar installations
- LED lighting and occupancy sensors to reduce building electricity costs
- Building envelope to ensure the greatest efficiency for the regional climate
- Mechanical systems sized to accommodate MERV 13 air filters: to allow for enhanced indoor air quality for tenants
- Waste diversion: at least 75% reuse or diversion of construction waste from landfill
- Landscape design reducing the amount of potable water needed for irrigation

COMMITMENT TO COMMUNITY

QuadReal has created One Steelcase to be a commercial space that enhances the quality of life for the residents of Markham, offering better public areas like landscaped green spaces and upgraded pedestrian and cycling infrastructure.

Our goal is to play a positive role in the community and become a part of its future. Collaborating to establish a long-lasting and dynamic presence in the neighbourhood is crucial as we pave the way for the future of commercial and industrial development in Markham and the GTA.

**WE'RE BUILDING FOR BUSINESS, BUILDING FOR
THE COMMUNITY AND BUILDING FOR THE FUTURE.**

DEVELOPMENT

QuadReal approaches all aspects of a project with these guiding values top of mind:

- Developing a portfolio that anticipates demographic and market conditions
- Leveraging an approach that is respectful of local communities and neighbourhoods
- Partnering with organizations that have a collaborative and team-based approach, and value long-term relationships

FIVE YEAR DEVELOPMENT
PIPELINE IN CANADA

The in-house QuadReal team is committed to advancing a prudent development program in Canada by identifying opportunities within the existing portfolio or leveraging future acquisitions.

The company plans and develops its properties for the long term and, as such, is forward-looking and focused on quality and resilience. The team is regionally based to ensure local knowledge and on-the-ground planning and development capabilities. There is deep experience in every market where QuadReal operates, develops and invests. Members of the QuadReal asset and development teams work closely to ensure that the focus is on respect for local communities, from project conception to completion. The Canada-based team also guides development with international partners.

SUSTAINABILITY IS BUILT INTO HOW WE THINK

At QuadReal, we integrate sustainable practices into every stage of our work. From the way we design and operate our buildings, to how we engage with communities, we are committed to creating healthier spaces, vibrant communities, and workplaces that support long-term success.

We're on a pathway to achieve net zero carbon emissions across our portfolio, with key milestones along the way.
